

English Homework

Year 3

A subordinate clause will begin with a **subordinate conjunction** and will contain both a **subject** and a **verb**. This combination of words will *not* form a **complete sentence**. It will instead make a reader want additional information to finish the thought.

Remember: A subordinate clause cannot stand alone as a sentence because it does not provide a complete thought. The reader is left wondering, "So what happened?"

Finish off the sentences by adding more detail to these **subordinate clauses**.

a) While the rain poured down, _____

b) Before the party had started, _____

c) Unless the bus arrives, _____
