Workshop to help keep your child safe online

The online world can be a fantastic place where we can communicate, collaborate and create. It is part and parcel of most young people's lives. However, there are risks if behaviour is not responsible and respectful.

Did you know that one in five 8 to 11 year olds has a social media profile? **Did you know** 1 in 4 children have experienced something upsetting on a social networking site?

Did you know 1 in 3 children have been a victim of cyberbullying and almost 1 in 4 young people have come across racist or hate messages online? **Have you heard** latest risks relating to games, apps and the Internet?

If your child uses any form of technology, then this friendly workshop is a **must** for your diary. Parent ambassadors will be there to support with language.

The hour-long session on **Monday 17th December at 2pm** is run by online safety expert from the local authority.

IF YOU ATTEND, YOU WILL BE ENTERED INTO A RAFFLE TO WIN A VOUCHER FOR ASDA!

Yours sincerely,

Briony Jones
