

English Homework

Year 3

In class, we have been discussing what makes a good learner. We have spoken about the difference between good behaviour and good learners.

This week we are asking children and families to work together to create a piece of writing or a poster to describe a good learner.

Choose one activity to complete

1. Create a poster to describe what makes a good learner. BE CREATIVE!
2. Imagine we have a new child starting in our class. Write five sentences to describe good learners at West Park.
