

What will my Nursery look like?

Your teachers have been very busy getting the classroom ready for you. We are very excited to welcome you to West Park Nursery and would like to show you some pictures of the classroom we will be playing in, learning and exploring together

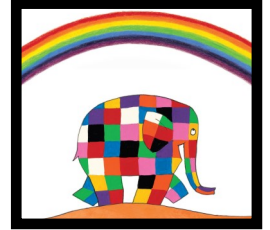

Coming in

A member of will be there to greet you on the outside door.

She will let you into the Classroom from this door.

You all have your own peg. It will either have Paddington, The Gruffalo or Elmer the Elephant. This is your family group.

You will wash your hands when you come into the classroom.

This is our handwashing station.

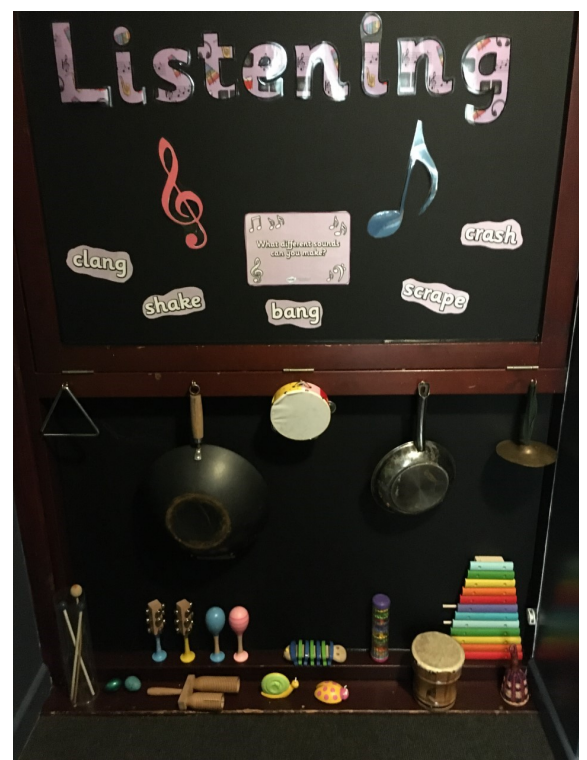

The Classroom

There is plenty of room on the mat for us to sit for register and learning time. When we have snack, we will have special mats that can be wiped clean, (just incase of milk spills!).

We have been busy setting up all of the areas of the classroom where you can play and learn with your teachers and friends.

Family Groups

Elmers—Mrs Bansal is key worker for the Elmers Family Group.

Gruffalos—Miss Kick is key worker for the Gruffalos Family Group.

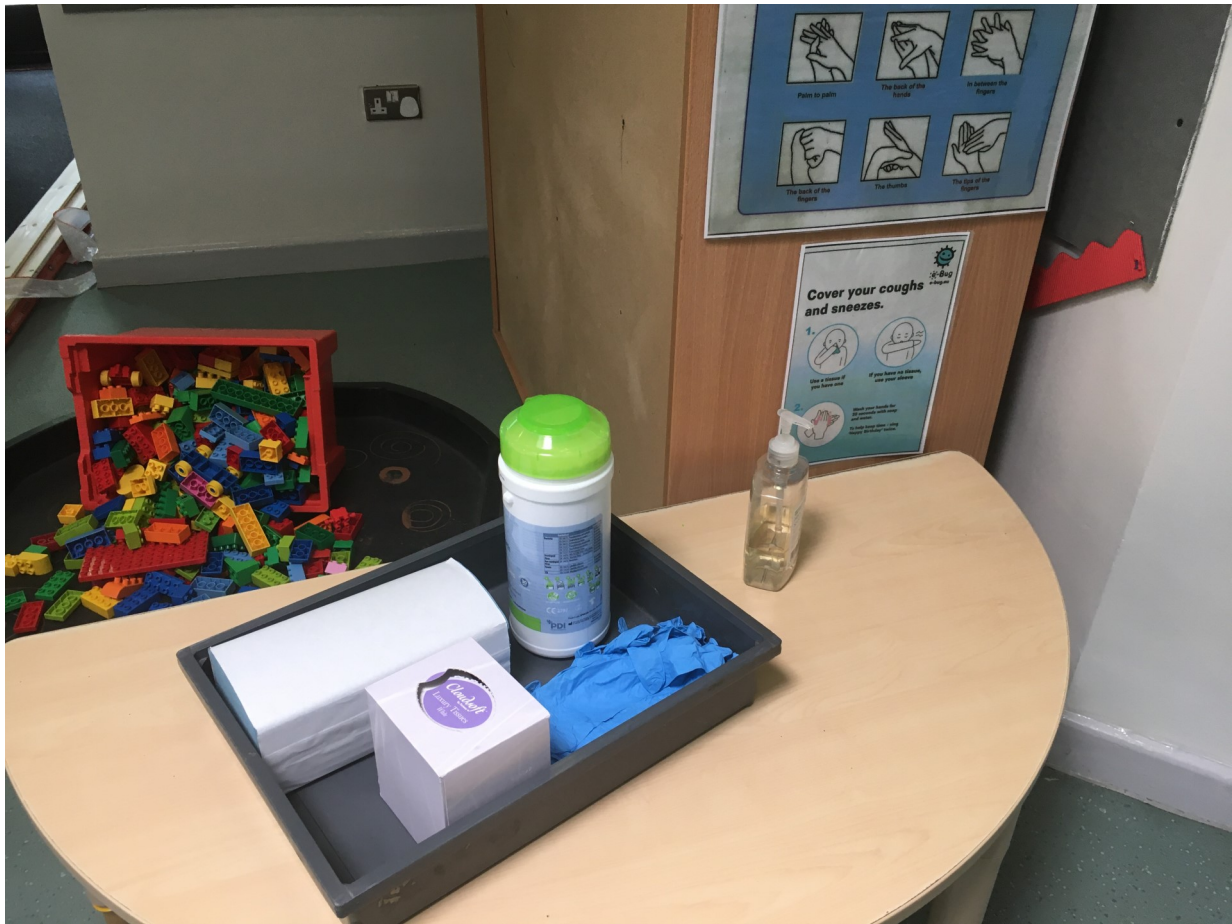

Paddingtons—Mrs Hussain is key worker for the Paddingtons Family Group.

Outside

We must
remember to stay our side
of the sheds.. There are
signs to help you.

We must wash our hands every time we come in from outside. And before snack time.. Your teachers will remind you to wash your hands..

Teachers

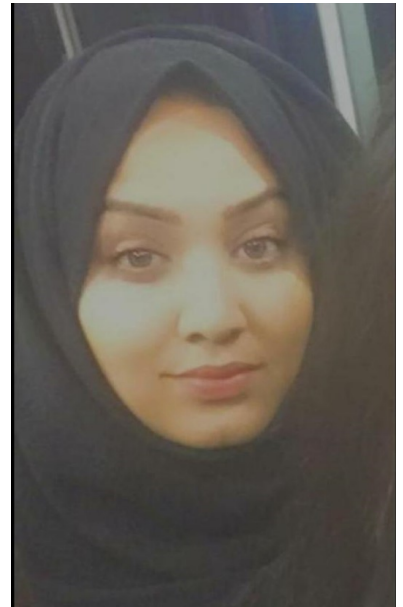

Miss Kick

Mrs Bansal

Mrs Hussain

Mrs Capewell
